Your

account...

Before you had a Facebook account, you had a Facebook-like account. What do I mean?

Just as the Facebook account you have now, has your profile, information on past and present activities, thoughts, postings, friends and all round information about you, so does this one you never knew of.

However, the latter has some extra features namely: registration is involuntary, posting is automatic, there are no secrets, neither is there an option to edit or delete postings.

We all had this account and it's importance and our need to be careful with what is posted on it surpasses that of your current Facebook account. It's your real Facebook account, which contains more data than you can ever begin to imagine.

Consider this, all you ever thought of, ever said and ever did both good and bad has been posted on this account and it's live as we speak.

You are logged in at the moment and your thoughts right now are being posted. But you say,"That's a scary thought! You mean all my secrets, inner-most thoughts and failings are posted for all to see?!" Yes, but don't worry, there is a way of deleting embarrassing postings permanently.

Jesus is the only one who has the Power to remove from your 'real' Facebook account anything you are not particularly proud of. He can remove all those secret sins that are eating you up and burdening you.

For all we have ever thought of, said and done is posted onto our heavenly account by the Angels and we will be judged for the contents thereof at the end.

However, you can escape the judgement for these deeds by having your account cleaned. For He has promised, "I will cleanse them from all their iniquity by which they have sinned against Me,..." Jeremiah 33:8. And again the Lord has said, "I, even I am He who blots out your transgressions for My own sake; and I will not remember your sins".

This is only possible by accepting Jesus for He is the "... the lamb that takes away the sins of the world." John 1:29. To have your sins both secret and known deleted forever, please pray this prayer.

Heavenly Father,
I come to You in prayer asking for the forgiveness of my sins. I confess with my mouth and believe in my heart that Jesus is Your son, And that he died on the Cross at Calvary that I might be forgiven and have Eternal Life. I believe Jesus rose from the dead and I ask Jesus right now to come into my life and be my personal Lord and Saviour. I repent of my sins and will worship the Lord henceforth. In Jesus Name Amen.
